Thank you for your continued prayers and financial support. Together we shared Christ's mercy with those who were devastated by disasters. Further, we (and those we trained) are better prepared to respond to the next storm, to be faithful to the call to love our neighbor.

Let us know how we may serve your church. Here are just a few ideas:

- Invite me to provide a ministry update
- Allow us to host a training event at your church
- Send a team to the warehouse to serve
- Collect relief kit items and send to the warehouse
- Form a disaster response team at your church
- Request a flyer that shows ways to get your church more involved
